Independent Auditor's Certificate on the book value of assets offered as security against listed debt securities pursuant to Regulation 15(1)(t)(i)(a) of SEBI (Debenture Trustees) Regulations, 1993 (as amended) read with Clause 3.1(a) of SEBI circular dated 19 May 2022 (cont'd)

December 2022, which have been subjected to limited review pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR').

6. The unaudited financial results, referred to in paragraph 5 above, have been reviewed by us, on which we have expressed an unmodified conclusion vide our review report dated 9 February 2023. Our review of financial results was conducted in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India ('the ICAI'). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial information is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to the financial data and thus, provides less assurance than an audit. We have not performed an audit and accordingly, we did not express an audit opinion.
7. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) ('the Guidance Note') issued by the ICAI. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

9. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. The procedures selected depend on the auditor's judgment, including the assessment of the areas where a material misstatement of the subject matter information is likely to arise. We have performed the following procedures in relation to the accompanying Statement:
 - a. Obtained the list and value of assets offered as security against listed NCBs of the Company outstanding as at 31 December 2022;
 - b. Traced the book values of assets from the Statement to the unaudited financial results, underlying books of account and other relevant records and documents maintained by the Company for the nine months period ended 31 December 2022 which have been subject to limited review as mentioned in paragraph 6 above;
 - c. Traced the principal amount of the NCBs and other debt outstanding as at 31 December 2022 to the unaudited financial results, underlying books of account and other relevant records and documents maintained by the Company for the nine months period ended 31 December 2022;
 - d. Verified that the computation of security cover is in accordance with the basis of computation given in the Statement and the amounts used in such computation have been accurately extracted from unaudited financial results, underlying books of accounts and other relevant records and documents maintained by the Company;
 - e. Obtained the list of security created against the listed NCBs in the register of charges maintained by the Company and 'Form No.CHG-9' filed with Ministry of Corporate Affairs ('MCA') and traced the details of charge created against assets of the Company to the details included in the accompanying Statement;
 - f. Verified the arithmetical accuracy of the Statement; and
 - g. Obtained necessary representations from the management.

10. Based on our examination and the procedures performed above, evidence obtained, and the information and explanations given to us, along with the representations provided by the management, nothing has come to our attention that cause us to believe that the details included in the accompanying Statement regarding book value of assets offered as security against listed NCBs outstanding as at 31 December 2022 are, in all material respects, not in agreement with the unaudited financial results, its underlying books of accounts and other relevant records and documents maintained by the Company for the nine months period ended 31 December 2022, which have been subjected to limited review pursuant to the Regulation 52 of the SEBI LODR.
